Dear Ms. Salaam:

**RE: Polykar Food Grade Lamination Film – PKLAM1**

This is in response to your email of May 25, 2016, wherein you requested our comments on the acceptability of the subject product for use in food packaging applications. This is also in response to your emails of July 4, 7, and 12, 2016, wherein you provided additional information on the subject product.

The subject laminated film will be used in direct food contact to package meats, seafood, and dried foods at ambient and frozen temperatures.

Based on the information provided, we can advise that we see no reason to object to the use of the subject film as proposed, provided it is technically suitable for the intended end-use.

Yours truly,

Ahmad Mansour Jamal Eddine
